

For the past 100 years Virginia Glass Products and Virginia Mirror have been your trusted choice for glass products. We are now pleased to welcome the latest product line to our family...
CUSTOM LAMINATED.

With our new laminated operation, you can expect the highest quality laminated glass for your project needs. We have the options for several applications:

- **Doors**
- **Handrails**
- **Stairs**
- **Partitions**
- **Interior Walls**
- **Decorative Additions**

Sizing from 12 x 12 up to 75 x 114, available in most thicknesses specified, SGCC certified, and handled with the quality that you have come to expect from Virginia Glass Products and Virginia Mirror for the last century!
